

Rep. Andrew Clyde (GA-09)
NDAA Amendment

All servicemembers who were discharged because of their failure to receive the COVID-19 vaccine that was mandated by Secretary of Defense Lloyd Austin's memorandum issued on August 25, 2021, titled, "Mandatory Coronavirus Disease 2019 Vaccination of Department of Defense Service Members" shall:

- a) Receive back pay from the date of discharge to the date of return
and
- b) Shall not receive any alteration to their military benefits as a result of their discharge status because of their failure to comply with this order, including but not limited to their federal pension and Veterans' Affairs benefits."
